30mL

FEATURES

- Made of a proprietary formula (Waxylene™) providing you with the cleanest and healthiest flavor possible
- All FDA/GRAS Approved Ingredients
- Pharmaceutical USP/EP Grade
- Enhanced with natural/organic, plant-derived terpenes (OG Kush & Sour Diesel)
- Only takes seconds to turn wax into vape oil
- Potent, powerful and full of flavor
- Guaranteed to not separate inside the oil cartridge
- Works with all oil cartridges, tanks and atomizers including CCELL ceramic carts
- Made in the USA

Organic Terpene Profiles

Organic plant-derived terpenes are assembled into strain-specific profiles then reintroduced to your Waxalizer™ (OG Kush and Sour Diesel).

Color + Cut + Clarity

Start with golden-colored shatter. Then add your Waxalizer™. Watch that golden turn clear.

Liquid Enhancement

Waxalizer™ works with all types of concentrates (shatter, crumble, budder, rosin, distillate, live resin, terp sauce).
